DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The following communication is in response to the returned Examiner's Answer on 13 March 2008. The attachment corrects the Evidence Relied Upon section. Specifically, Carlin has been added to the Evidence Relied Upon and Gilbert has been removed. Gilbert was erroneously put on the list instead of Carlin. Further, the Savage reference has been updated to reflect that it is now published as U.S. Patent 7,236,950.

The Examiner's Answer will be forwarded to the Board. No response is required by the Applicant.
